DELICIOUS SIDE DISHES

Praters offers a full line of restaurant-quality refrigerated and frozen side dishes to complement any meal.

Our products range from holiday classics, traditional favorites and unique items too. Our products are packaged in CPET trays that can be used in either the microwave or in the oven. Each tray is heat sealed with a transparent film, covered with an outer cardboard sleeve and then shrink-wrapped for greater food safety.

SAFE QUALITY FOOD PROGRAM:

Praters participates and subscribes to the S.Q.F. (Safe Quality Food) program, which provides independent certification that a supplier's food safety and quality management system complies with international and domestic food safety regulations. The program originally launched in 1994, has been managed and overseen by the S.Q.F. Institute since 2004. The S.Q.F. Institute is a division of the F.M.I. and is located in Arlington, VA. In addition to S.Q.F., Praters operates under strict H.A.A.C.P. guidelines and is a U.S.D.A. inspected facility.
